

April 2023 Bunker Adjustment Factor (BAF) Rates

Dear Customers,

You can find effective BAF surcharge levels for April 2023 in the following.

Depending on the BAF methodology, February 2023 is considered on the calculation for all following regions. All corridors related to Mediterranean-West Africa trade regions will be based on the average VLSFO price of Rotterdam and Algeciras. For all Intra-Mediterranean and Black Sea corridors, we will continue to consider Piraeus and Istanbul average VLSFO prices. Antwerp/Rotterdam average VLSFO prices will proceed to take part as usual in the calculation of all North Europe corridors.

| Regions | Reference Ports | February 2023 Ave VLSFO/ton |
|---------|------------------------------------|-----------------------------|
| WAF | Average of Rotterdam and Algeciras | \$596 |
| MED | Average of Istanbul and Piraeus | \$689 |
| NEUR | Average of Rotterdam and Antwerp | \$575 |

For identifying the trade corridors in respective countries, we have included the below chart for your easy reference. An addendum that shows the port and country information with regional details was also included on the last page.

| COUNTRY | COUNTRY CODE | REGION |
|-------------|--------------|--------|
